

# Henderson R/C Airplane Club

Pres. Keith Benton Vice Pres. Harold Parker Sec/Tres. Mike Morton

*Tuesday 10-10-06*

*The meeting was held as usual at the Pizza Place in Zebree and we had 11 members present, hard to believe but true!*

*The main topic was what a great Flu-in we had and how great the participation of the membership was, you can all pat your self's on the back, we certainly owe you all a great deal of thanks, and especially to Mike Morton our secretary who put in as much or more effort as anyone else.*

*Needless to say it was a complete success both financially and the participation of pilots, a special thanks to Mack and his crew from Georgia, as usual they put on a great show.*

*We voted to have an Electric fly-in next year on the second weekend of June, June the 9th and 10<sup>th</sup> to be exact, this is a done deal so be ready, it will be sanctioned and advertised in the AMA magazine so get your electrics ready.*

*We are going to have only Hot dogs and drinks available, at least as of now.*

*Electricity will be provided for charging or whatever.*

*The gift certificate went to Larry Barnes.*

*We have a new member, he joined Sunday at the combat meet, and his name is Dillard Pickle.*

*Speaking of the combat, the scores are as follows,*

*Bluegrass: 2300*

*Henderson: 1560*

*Evansville: 1360*

*The medals went to:*

*Ray Young: First place*

*Hando: 2<sup>nd</sup>*

*Tina: 3<sup>rd</sup>*

**Here are your overall medal winners**

**Here is the trophy winning team.**

**10-15-06**

*I was late getting to the field and when I arrived there were a lot of pilots out enjoying the weather although a bit on the cool side it did not hamper the flying, I did not have anything to fly as I was on my bike, I was at a photo shoot for a bike calendar, You know bikes and pretty girls, hard choice but I made it.*

*I did not stay long but it looked like they had it under control.*

10-18-06

*Just the four of us at first, Tina, Harold, Doug and I, but Larry and Bob Frields showed up around 4:30 or 5, They flew their combat electrics I flew my OMP profile, Kind of windy but not to awful bad, Larry has a new van, and if you think you need one he has his old one for sale, not a bad looking van either.*

## Upcoming events

-----

10-21-06 Saturday

*A very good crowd out today, the sun was shining and the wind was relatively good, right down the runway anyway.*

*Larry, Miller and Danny flew their gas Extras and we flew pretty much what we brung, The Clarks were not present and I am very surprised, guess they are all to cold to come out.*

*The rest of the regulars were there, and we did as much as we could till the cold got the best of some of us, when I left they were still going at it pretty good.*

-----

10-22-06 Sunday

*Cold windy and very cloudy, other than that it was a beautiful day.*

*I went out about 1:30 and there was nobody out stayed a while than went home and worked on a ARF, trying to get something new flying, Thomas Sheffer was good to me so I figured the least I can do is get it ready to fly.*

---

Wednesday 10-25-06

*Just the three of us out today, Harold and Randy and I, Harold trained Randy for a while then we would go inside and warm up, and I flew my new Stick 40, Thomas Sheffer gave it to me and I put it together and was pleasantly surprised at how well it fly's, did I mention that it was cold and damp and windy!*

---

## Don't forget the meeting will be on the 14th of November at our regular place.

---

*Here is something from Tina.*

The Piggott r c club contacted the hobby store today and invited us all to the Christmas party on Dec 2 2006 they will eat supper about 6:30 pm and do some inside flying at the center when they feed us in the summer

the Sikeston club is having a chili fly-in on the 3 of Dec 2006 and we could go to Piggott sat stay there at the famous motel then go fly at Sikeston on Sunday

they invite any of the Henderson club if anyone needs more information just contact the hobby store and we will lead them into the right way

thanks  
Tina

---

The swap meet for Joe Bayer is the Friday after Thanksgiving day at Evansville don't forget to put into letter

there are 2 events coming up in the month of December Piggott Dec 2 they are having a Christmas party the Henderson club is invited for more info contact hobby store

Sikeston Dec 3 chili fly-in

the only thing in January is Columbia swap meet on Jan 20 at Spring Hill, Tn they will have an outdoor fly-in after the swap meet all the Henderson club is invited to swap and stay for flying

please pass this on in the upcoming newsletter  
thank you  
Tina Z

A couple of things to add to next week's newsletter:

Dues renewal: This is the start of the 2007 dues renewals so, if you want you can send them to Mike

Morton, 8407 US 41-A, Henderson, KY 42420. Please include you're: name, address, phone number, current AMA # your E-mail address so that we may update the club records.

Report of the 2006 Fly-In: Well it is official; the 2006 Fly-in was the best we have ever had! We had the highest gross and net receipts but this could not have been possible without the very hard efforts of lots of club members. A big thanks to everyone who work the event We have to be careful though and remember that this is the first year in three that we haven't had to break out part of the club's savings just to make ends meet until the annual dues renewals.

---

*Wednesday 11-o7-06*

*Harold, Tina, Doug and Randy and I were there to fly, I don't know where all the others are, and Roger came down later.*

*Randy is doing good he is flying on his own and he doing just what he needs to do, practice, practice and did I mention practice.*

*Tina, Doug and Harold all flew their electric combat planes and I did my best with what I had with me, Roger also flew an electric combat and a You can do.*

*As far as the weather was concerned you could not ask for better, nice and warm and a very slight breeze, there are not going to be many more like this one.*

*Well that's all for this month, see you at the meeting.*

Nov 24 Joe Bear swap meet  
Dec 3 Chili fly-in Sikeston Mo.

# Kentucky Outlaws

**Henderson R/C Airplane Club**  
**Henderson, KY.**
