Tuesday 11-13-07

I was not at the meeting, but Tina was kind to get notes for me.

There were 6 members and two wife's present.

Nominations for club officers were made and here is a list of them.

President, Keith Benton

Vice Pres; Harold Parker

Sec: Mike Morton

Safety officer: Dave Perez

Field Marshal: Harold Parker

Club photographer: Steve {Irish}

Poswinski

Public relations: Larry Barnes

Editor: Dave Perez

Board of directors: Harold P,

Larry B, Tina Z, Bill Robertson

If you have someone else in mind speak up now or forever hold your piece.

Tina has informed me that the club meeting date has been changed to the 2nd Thursday of the month, so if there is any conflict this should resolve it and there should not be any reason for not coming to the meetings.

Saturday 11-17-07

When I got there Tina and Harold and Mark Fleming and a few others were already there, it was bit on the chilly side but it was tolerable, they were flying their zoom zooms, and all I could do was watch, one reason was that I don't have one and the other is that I forgot my Radio!

I watched them for a while and then went to the house.

Sunday 11-18-07

I did not forget my radio this time and there were 5 of us out today, Harold and I and Darrell Hendrickson and later Bill Robertson and Mike Stone, it was a nice day sunny and not too cold. Harold lost his Katana and does not know why, but it went in the ground nose first full throttle, not much left of it, I'm sure he will figure it out and be back out Wednesday.

Bill had a new pro trainer and we flew it, did real good.

Saturday 11-24-07

Just 6 of us out today, Harold and Tina Randy and JT Dale Litcher and me, seems like it was a bit on the cool side but I had my Insulated coveralls on as did the rest of the crew. My leg was bothering me so I left early. Dale did not fly as the wind was pretty rough, but Tina and Harold did and I flew till I left. They were still there when I left so they must have had a good time.

Don't forget the meeting has been changed to the second Thursday of the month, which will make it December 13-07

Mike Morton wants everybody to know that you can send the

dues to him at the below address or see him at the field.

That's all. The month is over this year is almost over, and the flying has just about come to a halt, at least for a few of us, I have not been able to go for a while, if it's not the weather it's my leg bothering me, Don't forget the meeting has been change to the second Thursday of the month, so I'll see you on Thursday the 13th at the Pizza Place. And don't forget the New Years day fly in, (Don't go to the meeting on Tuesday cause you are going to be alone.)
